GUEST ROOMS

The Harvard Club is Your Home Away From Home.

Perfectly situated in the center of midtown Manhattan, the historic clubhouse is at the heart of the Big Apple and right where you want to be.

All of the Club's unique guest rooms are well-appointed and offer a serene oasis from the busy streets outside. With seasonal rates and all the amenities expected of quality accommodations, the Harvard Club of New York City is your home away from home.

Our 73 guest rooms are decorated with unique Harvardiana: photographs, prints, banners, documents and posters dating from the 1850s to the current day, making each a living museum to Harvard's past.

The Club provides unsurpassed service for you to enjoy and host friends and family.

"The Club is always a welcome oasis in NYC. One steps through the doors and all is as it was the last time—how increasingly rare a pleasure!"
